Showcasing educational tourism for the promotion on environmental and cultural heritage

Educational tourism routes Crete - Cyprus

- Design of 8 educational routes in Crete
- Design of 6 educational routes in Cyprus
- Design of 3 cross-boarder routes

Dear reader,

What are the themes of the routes that emerged from the field surveys conducted in Crete and Cyprus with the participation of young people, tourism professionals and trainers?

History/Archaeology

Gastronomy/Wine gastronomy

Cultural heritage

Natural environment

What are the characteristics of the digital educational tourism platform developed under the EduTourism Project?

- ❖ Interface with e-learning platform
- ❖ Development of a multimedia and interactive knowledge library
- ❖ Networking opportunities
- ❖ Develop and make available multimedia presentations of the selected sites and routes
- ❖ Learning games
- ❖ User manuals
